What is Evening of Hope

For over 25 years, Lost & Found Grief Center has provided therapeutic grief support groups at no cost to individuals and families in our community.

Evening of Hope, our largest annual fundraiser, is an opportunity to reflect on our legacy while ensuring Lost & Found can continue to help grieving people.

Guests will enjoy an unforgettable evening of fine dining, exclusive auction items, and celebrating stories of courage, connection, healing, and hope.

As we reflect on the profound impact we've made in the Ozarks, we invite you to be part of the future of help, hope, and healing.
