Benefiting Lost & Found Grief Center

Dear Event Sponsor,

Due to the turbulent times we all find ourselves in, Lost & Found Grief Center has decided to make our annual Evening of Hope event a week-long experience. We are excited to share the important work we do to support grieving families with you in a new way.

Each day during the Week of Hope, April 12-17, Lost & Found will share exclusive content via email. These emails will include stories of loss and hope from our participants, giveaways, and access to the online auction. We will host a dinner at a later date thanking all of our sponsors for supporting us through this difficult year.

Thank you for continuing to support Lost & Found Grief Center during this time when our services are dearly needed. In these unprecedented times, the phones at Lost & Found have continued to ring at an increasing rate as families struggle with loss. While we wish we could hold a grand in person event to raise funds, it simply is not possible. You make the life changing work that our staff does possible. We are excited to share the impactful stories of Lost & Found participants with you and celebrate the hope that Lost & Found provides families in the Ozarks.

Sincerely,

Emily Givens, Executive Director
